

# Mini-seminar in Metabolomics

In conjugation with the course MEDT8010: Metabolomics- Methods and Applications, we are hosting a mini-seminar open for everyone.

**Date:** November 21<sup>st</sup> 2019

**Time:** 13:45 – 16:00

**Place:** Seminar room MTS21 at MTFS

**13:45** Jia Li (PhD), Imperial College London, UK  
«Microbiota and metabolomics»

**14:30** Break with coffee and tea

**14:45** Ingrid Måge (PhD), Nofima, Norway  
«Multivariate analysis of intervention studies»

**15:30** Visit to the NMR Metabolomics lab  
MR Core Facility, Kvinne-barn senteret, NTNU
